

## FOUNDATIONAL DOCTRINES INTRODUCTION AND OVERVIEW

Introduction:

**We're living in a generation that openly professes to make a non-issue out of doctrine.**

The central focus to modern day "Christianity" is peace, love, feelings, experience, fellowship, unity, union but not doctrine.

The litmus test for most of Christian life is opinion and emotion or contemporary Psychological thought not sound doctrine.

**Psychology professes that there is a why, and its not the Bible why.**

**1. Psychology professes that there is a subconscious mind** that holds all the reasons for why we do what we do, and it just needs to be discovered through expression.

**2. Psychology professes that the reason why we do today what we do today is because of what happened in our past.** So, they violate the Scripture and go probing around in the past to find the cause of why people are the way they are today.

The point is Christians value emotions, feelings, opinion, union, unity, love, experience, peace, fellowship, and CONTEMPORARY PSYCHOLOGICAL thought above SOUND DOCTRINE.

**The quality of life, especially our Christian life, is based upon the knowledge we have.**

**Joshua 1:8** This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.

Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers.
